SUMMARY

Creative Frontend Developer offering 2+ years of experience. Skilled in designing, developing and testing multiple web-based applications incorporating a range of technologies. Aspiring to combine broad background with strong technical skills to excel as a Frontend Developer.

INTERNSHIP

Frontend Developer
Wikiance | Nov 2020 - Feb 2021

Started working here remotely as an intern frontend web developer. Learned a lot about web development and team work from here. I am glad that I had the opportunity.

WORK EXPERIENCE

Frontend Engineer
Wikiance | Feb 2021 - Present

- Implementing websites and landing pages from concept through deployment.

- API integration and developing the UI with the help of backend devs and UI/UX designers.

- Training new interns about the code structure, work flow and best practices.

- Collaboration with product team members to implement new feature developments.

EDUCATION

Bogura Zilla School
Secondary School Certificate in Science
Feb 2008 - Feb 2016

Govt. Azizul Haque College, Bogura
Higher Secondary Certificate in Science
